Autumn Term 2

British School Algiers Middle-Phase Newsletter

Welcome to this week's Middle-Phase newsletter. It has been another busy week in school with the undoubted highlight being Science Day on Tuesday when the whole of Middle and Senior Phase departed from the usual timetable and participated in several workshops celebrating science. Please see below for pictures of this special day. Please remember to also check-out the *Dates for You Diary* section at the end of the newsletter to stay informed about key dates for this term, e.g. the dates of assessment week in December.

Year 5

In one of their Arabic lessons this week, the advanced set focused on vocabulary related to countries, nationalities and geographical directions. Students practised naming countries and nationalities in Arabic. They also learned the terms for the four directions—north, south, east and west.

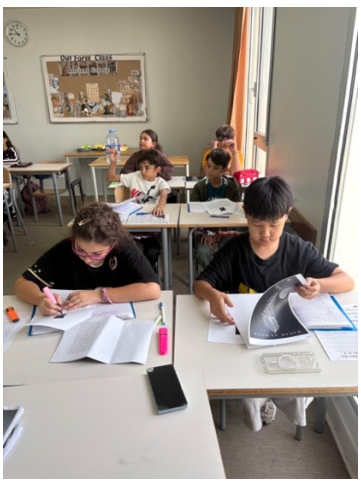

Year 6

Our Year 6 students seem to be enjoying their new text in English lessons this term; *Skellig* by Daid Almond. This week they looked at the authors use of language, in particular, what literary techniques were used to make the writing more interesting.

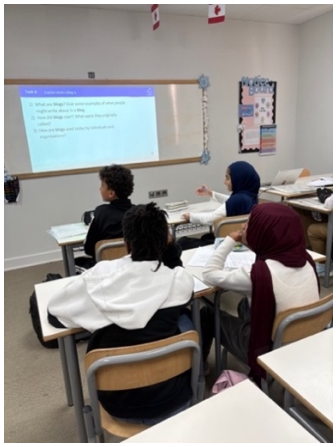

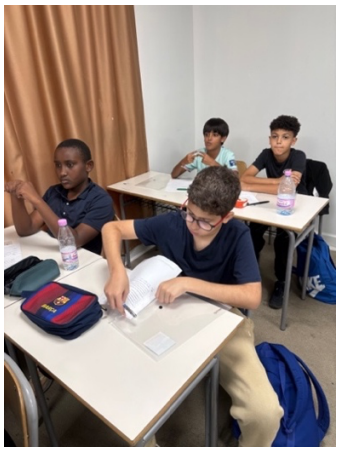

Year 7

This week, our Year 7 students explored the topic of blogs during their technology lessons. They learned what blogs are and considered the different ways people use them. They also explored why people choose to blog, looking at the purposes behind their use.

Year 8

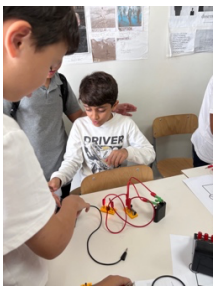

The Year 8 students in the advanced French class spent this week learning key vocabulary for asking questions, such as the words for why, what, how and when. This will enable them to develop their conversation skills.

World Science Day

BSA celebrated World Science Day on Tuesday with activities throughout the day exploring physics, biology, chemistry and technology. Staff, sixth-form students and visitors from Algerian universities led the activities. It was wonderful to see our students taking such an active interest in science and getting involved.

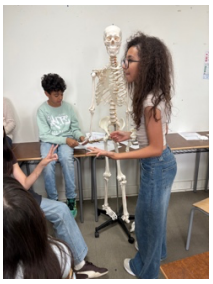

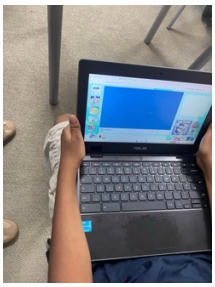

Enrichment

Gaming continues to be a very popular and well-attended club led by Miss Souha, with our students continuing to show plenty of interest in the club.

Stars of the Week

Congratulations to the following students who are our Stars of the Week:

- **5A: Reinella Nireah Ong'Ayo** – For being attentive, punctual and always willing to learn and help her classmates.
- **5B: Celia Akacha** – For demonstrating respect, responsibility and kindness.
- **6A: Sam Feiyang** – For academic achievement, great behaviour and being such a kind student.
- **6B: Ramzi Lazli** – For being punctual, following instructions and always listening carefully.
- **7A: Hanna Boucelha** – For being supportive and helpful to her classmates.

- **7B: Hana Zakova** – For doing a brilliant job in science and maths lessons while still adjusting to a new school.
- **8A: Tiziri Boussoualim** – For her excellent behaviour and discipline.
- **8B: Aisha Suleiman Mussa** – For her consistently excellent behaviour, positive attitude and the wonderful effort she puts into everything she does.

Dates For Your Diary

- **Thursday December 10 to Thursday December 17:** Assessment Week
- **Thursday December 17:** End of Autumn Term 2
- **Friday December 18 to Sunday January 03:** Winter Holiday
- **Monday January 04:** Start of Spring term, students return to school.
